Service at Mercy

Community Service Continues At Mercy Clinic

POP UP CLINIC

On Saturday March 20, in a collaborative community event, Mercy Clinic participated in a Pop Up Clinic at Evans Avenue Plaza from 10AM to 1PM. This was an early venture into the adjacent ZIP Code of 76104 comprised of neighborhoods that have been known to struggle with health care availability and a very low life expectancy among their residents.

The Pop Up was a joint effort by Mercy Clinic, Councilperson Kelly Gray, Tarrant Area Food Bank, Dr. And Mrs. Nabeel Shabout with North Tarrant Surgical, and the City of Fort Worth. Volunteers from TCU-UNT Health Science Center-School of Medicine and UNT Health Science Center College of Pharmacy assisted Mercy Clinic staff in screening individuals for serious health needs with follow up appointments at Mercy Clinic in April.

SHOOT FOR MERCY

The 4th Annual Shoot for Mercy Sporting Clay Tournament is already in the early planning stages. Opportunities will soon open for sponsorships to this fun, but important fundraiser for Mercy Clinic. Most sponsorships include a complimentary registration of a four-person team.

Check out our website at
mercyclinicfriends.org/shoot-for-mercy to sign up.
Or contact **dougprice@mercy-clinic.org**
for more information.

NEW WEBSITES

Thanks to a financial grant from North Texas Communities Foundation and our friends at CP2 Consulting, Mercy Clinic now has a website for use by our patients and volunteers and a companion site for our friends and donors. You can access either of them as follows:

Friends and Donors
www.mercyclinicfriends.org

Check out this new site and sign up to be a prayer partner with Mercy Clinic. Connect to Client/patient site by clicking on Patient Information on the top banner.

Clients/Patients
www.mercy-clinic.org

Click the tab in the upper right corner to switch between languages. Connect to the Friends and Donors site by clicking on "Get Involved" on the top banner.

Mercy by the Numbers

8 years March 28, 2021 marked the eight year anniversary of Mercy Clinic! We thank God for all who have helped us and for the many lives impacted through our work.

138 Patients received their first COVID 19 Vaccine.

16,000 Number of COVID tests conducted at Mercy Clinic since May, 2020

$200,000+ Given by individual supporters in 2020! Thank you!

Through our new website, "Marcela" discovered the services we provide at Mercy Clinic. She could no longer afford the insulin she needed to manage her diabetes and was struggling. On her very first visit, a volunteer prayed for her. Then she received an exam, diagnostic lab studies, diabetic education consultation, all the equipment for self-monitoring of her diabetes, and a supply of insulin. The care a person receives is comprehensive, equipping individuals on their health journey and giving them hope for a healthier life. More importantly, each person has an opportunity to hear the gospel and receive prayer from our dedicated volunteers.

THE POWER OF TWELVE

We invite you to join our automated monthly giving program called

PaceSetters
I believe in Mercy

Just as your regular income benefits your household budget, automatic donations provide regular income to Mercy Clinic and allow us to build an annual budget with confidence. Your gift fulfills our mission to show the love of Christ while providing medical and dental care.

Consider the difference a monthly gift makes. An occasional gift of $200 when converted to just $20 per month results in $240 to the ministry over 12 months. And many of our friends give $30 or $50 or even $100 per month. You choose the amount.

Thank you for considering Pacesetters!

Your tax-deductible donations allow Mercy Clinic to improve the lives of thousands in south Fort Worth. Scan this code to connect to our donation site:
